Hi, Pete—not sure what happened but our call was cut off. I called you back a few times but it keeps going to a generic voice mail box. Feel free to call me back if you can or I'll talk with you and the Aerojet gang at 10:30!

Thanks Lynn. I will still plan to call in if we don't hear from Chris.

Hi, Pete—didn't get a hold of Chris—left him a voice mail. Talked with Alex though and he still definitely wants to have the A40 call tomorrow at 10:30. I'll let you know if Chris gets back to me but I reiterated to both Chris and Alex that EPA and DTSC aren't ready to rule out any PRAs and are focused now on getting our DQOs in order for additional data needed. They both know our tech experts aren't attending tomorrow also—just you and I if he decides to still hold the meeting.

Thanks for your time today, Pete,  
Lynn

No problem. Thanks Lynn for contacting both Alex and Chris and look forward to hearing back from AR whether a meeting will occur tomorrow. Regards.

Thanks for making time for this today, Pete! I hope Dan can attend as well so we can connect him with Matt and get a plan.
